GRADE FOUR EXAM REQUIREMENTS

Performance

At Grade Four, you will be expected to perform three selections of different types. A use of simple embellishment is expected at this stage. A slow air must be included as part of one selection. (A selection is made up of two different tunes).

Repertoire

Five tunes of **different types** should be prepared and a number will be heard at the examiner's discretion.

Supplementary Tests

- To beat time in any tune type played by the examiner
- To recognise tune types (polka, reel, jig, march or air) in examples played by the examiner.
- To play, lilt or hum from memory a tune extract (2 bars in simple duple, triple or quadruple time) when played twice by the examiner. The key and starting note will be given.
- To name the different types of dance tunes and to give their time signatures.

Expectations: The performance should be fluent, well phrased and in style. A use of simple embellishment in every tune is considered essential at this stage. A greater technical security and fluency is required than at Grade 2, in addition to a sense of lift and accent in a wider variety of tune types.
