

## **CRAIG McCOMISH**

Craig has 3 years of teaching experience and specialises in Bass Guitar.

Having studied in BIMM Dublin and DIT Conservatory of Music & Drama, his educational background is firmly rooted in Contemporary music and Jazz.

His musical influences include Weather Report, Herbie Hancock, Cream, The Eleventh House, Thundercat, Bon Iver, Chick Corea, Tame Impala, Morphine, The White Stripes and Jefferson Airplane to name but a few.

Craig also writes for a music focused blog; A Study in Audiosynthesis, where he covers all things music from Theory lessons, Interviews and Rig Rundowns to Album breakdowns and Gig reviews.

Favourite Album: Yankee Hotel Foxtrot by Wilco
